Shop Japan's hit CD "Healing Classics" is certified Multi-Platinum

Oak Lawn Marketing, Inc. (OLM) announced today that its hit CD "Healing Classics" has been certified multi-platinum. The 16 disc compilation is sold through OLM's home convenience brand, Shop Japan, and contains a collection of relaxing classical music specially selected from Warner Music Japan's library.

At the end of May 2011, "Healing Classics" achieved sales of over 3 million discs. This breaks Warner Music Japan's previous CD compilation sales record of 400,000 discs set by "Classic BEST HITS 100", a four disc classical music compilation released in 2003. In recognition of "Healing Classics" outstanding sales performance, Warner Music has presented OLM with a platinum disc award.

Service overview

Healing Classics is a 16 disc compilation containing 235 tracks of relaxing classical music from world renowned composers such as Mozart, Beethoven, Chopin and Tchaikovsky and famous conductors including Harnoncourt, Inbal, Paillard and Markov. Music was recorded by such illustrious orchestras as the New York Philharmonic Orchestra, the Chamber Orchestra of Europe, Bolshoi Orchestra and the Royal Philharmonic Orchestra.
